L: O come let us sing...

**P: and hum and dance and clap our hands!**

L: O come, let us make a joyful noise ..

**P: by shouting and stomping and snapping our fingers!**

L: O come, let us sing to the Lord, the rock of our salvation!

Let us come into God's presence with thanksgiving,  
Making joyful noises and singing the Lord's praises!  
For great is our God!

**P: How great?**

L: Very great! For in God's hands are the depths of the earth  
And the heights of the mountains!

The seas are the Lord's, for God is their Creator.

The land is the Lord's for God's hands formed, shaped, and blessed the earth!

**P: Great is the Lord and greatly to be praised!**

L: O come, let us worship

**P: and bow down and kneel in reverence, lifting our voices in awe!**

**ALL: LET US SING TO GOD,  
THE ROCK OF OUR SALVATION!**
