In the logo for our upcoming Lent Worship series, **everything [in] between**, the two hands reaching toward each other represent our longing for connection despite the politics, assumptions, beliefs, and narratives that divide us. The hands look as if they are reaching in for a handshake, but they are paused just before they connect. The negative space in between the hands creates the shape of a doorway, symbolizing hospitality or a pathway forward. **The doorway invites us to look for God in the spaces in between.** In the typography, the “in” is bracketed, emphasizing the promise that God shows up in surprising ways and unexpected places, but is present in it all. The shape of the hands further echoes the bracket shape. ... The brackets around the [in] represent the charge to each of us: to dig deeper into complexity and nuance, to ask questions and stay curious, and to be open to where God might meet us along the way. *A Sanctified Art* ([sanctifiedart.org](http://sanctifiedart.org))

#### **FMC Accessibility Committee Mission Statement**

The Accessibility Committee is a safe place for people to bring concerns relating to accessibility, which includes physical, mental, and social conditions. We serve by listening, researching, troubleshooting, sharing information, identifying resources, and passing on recommendations to appropriate church groups for follow-up. We also help enhance awareness in the congregation about different types of disability. Our goal is to remove barriers so that all people regardless of ability can feel welcome at FMC, participate in the life of the church, and share their gifts.

If you’d like to be added to our all-church email list to receive prayer requests and announcements (typically 2 emails/week), please contact the church office or Pastor Tonya.
