2025 Individual Contribution Reports

Since the IRS has raised the standard deduction threshold and those with IRA's can send directly to charitable organizations to help meet their minimum required distributions, the need to receive your annual contribution report has been diminished for income tax purposes. Therefore, instead of stuffing mailboxes with annual giving reports, if you would like your giving report from FMC, please let me know and I will get you yours. Contact Mike Dirks: mikedirks@earthlink.net or 620-474-1224.
