### **Symposium on the Future of Water in Kansas . . . March 7, 2026**

Dyck Arboretum (177 W. Hickory St, Hesston) 8:30am-4:30pm. Experts and water managers from state, local and municipal agencies will address critical issues that affect our state's water resources and demands. More information at [arboretum@hesston.edu](mailto:arboretum@hesston.edu).

### **2025 Individual Contribution Reports**

Since the IRS has raised the standard deduction threshold and those with IRA's can send directly to charitable organizations to help meet their minimum required distributions, the need to receive your annual contribution report has been diminished for income tax purposes. Therefore, instead of stuffing mailboxes with annual giving reports, if you would like your giving report from FMC, please let me know and I will get you yours. Contact Mike Dirks: [mikedirks@earthlink.net](mailto:mikedirks@earthlink.net) or 620-474-1224.
